

Mission Statement

We offer a warm and loving, Christian environment where children know God, through his Son, Jesus. We honor and nurture each child's individuality and learning readiness through play and exploration. Our goal is to develop the whole child's spiritual, socio-emotional, cognitive, and physical needs.

Educational Philosophy

We believe that to grow and thrive every child needs a balance of learning and play: time to discover and gentle guidance, high-spirited fun and quiet reflection. This is what we provide at South Table Mountain Preschool. We combine the best of the two leading teaching philosophies. We let the individual interests of each child serve as the catalyst to healthy social and emotional development, while teachers guide them to self-confidence and prepare them for life-long academic achievement and spiritual growth.

We value and respect families and recognize them as the most significant providers of care and nurturing for their children. We are honored to serve as a trusted partner in cultivating self-discovery and the love of learning, as we ensure a safe environment where learning, play, and child care are always in harmony.

What do families say about us?

-  *"The teachers are wonderful and show children the love Jesus has for all of us!"*
-  *"Unlike many preschools, STMP is flexible on the days of the week children may attend for the school year, which is important to me because I work part-time."*
-  *"Thank you STMP and teachers for being such an integral part of our son's positive and healthy development we have observed in the last 2.5 years. He loves going to school!"*

- Families will be notified of tuition increases with a 30-day notice
- South Table Mountain Preschool is a Universal Preschool Provider (UPK)

Preschool 1

Children who are 2 1/2 years old (and potty-trained) by the first day of class. *We reserve the right to cancel a class if enrollment minimum for this age group is not met.*

Preschool 2

Children who are 3 years old by October 1.

Objectives

- Spiritual growth...love God & others
- Develop and expand expressive vocabulary
- Develop self-help skills
- Participate in activities that relate the sciences to daily living
- Foster the development of fine motor skills through drawing and painting
- Develop listening skills using a variety of literacy forms
- Define numbers through story and real-world experience
- Develop age-appropriate strategies that will assist with reading and writing

Pre-Kindergarten

Children who are 4 years old by October 1

Objectives

- Spiritual growth...love God & others
- Develop and expand receptive and expressive language skills
- Introduction to beginning phonics
- Development of age-appropriate pre-writing and pre-reading skills

- Develop sorting and classifying skills with the use of manipulatives
- Introduction to concepts of numbers and counting
- Recognize, count, and write numbers 1-20
- Learn to match, sort and classify
- Apply art, music, and science across the curriculum

Jr Kindergarten

Children who are 5 years old by October 1.

Objectives

Jr Kind is for students whose family feels their child is not quite ready to move to Kindergarten. Sometimes children just need a little more time to grow and develop. *This is a personal decision for families. Our teachers are here to support you and your student in this process.*

Additional time allows students to:

- Continue development of Pre-Kind objectives
- Develop ability to focus for longer periods of time
- Grow their social/emotional skills
- Be better able to navigate social situations & advocate for themselves
- Have more confidence in talking to their teachers and asking for help
- Be older vs younger as they continue in school

Enrichment Programming For All Ages

-  Chapel  Art  Music
 Gymnastics  Storytelling
